Gilson has offered a Model 61773 Cab to fit both the 5 HP and 8 HP Snowthrowers this year.

A Weight Bar Kit Number 88226 is required when mounting the cab assembly on the 5 HP/24" 5 Speed Snowthrower only. The 5 HP unit requires additional weight, mounted under the collector housing lip, to offset the additional weight of the cab assembly on the handle bars.

The kit includes all necessary hardware and mounting instructions.
